### *The Story of Kivah*

In the village at the end of the day, the men gather in a sacred circle. In this sacred circle, they share insights, impart wisdom, tell stories, search for truth, journey to the heart of the matter, engage in sacred talk, reconnect to their divinity, and reclaim their sacred self and the sacredness of self. In this circle, the men come together, embarking on a voyage through ritual and ceremony to the golden mountain within, the place where truth lives and the heart of All beats together. This is Kivah ~ Sacred Circle of Men.

**Come experience the sacredness of Kivah!**

Reverend Anthony, OUnI, CMH, is a Spiritual Teacher and Guide, and an Interfaith, Interspiritual Minister. He walks the way of a shaman. Reverend Anthony Farmer began this Sacred Circle of Men in August 2008, in response to the request for spiritual support and a sacred space for men.
